- a) Microsoft Word
 - b) Microsoft Excel
 - c) Microsoft PowerPoint
 - d) Adobe Photoshop

Answer is: c

Personality Test

This test is designed to assess candidate prior to employment or during current employment.

The Personality Test has been designed and developed to help employers and recruiters evaluate the job readiness of candidates.

Syllabus of the Personality test

Personality Test lays emphasis upon evaluating the knowledge of applied skills gained through real work experience, rather than theoretical knowledge.

This highly acclaimed personality test assesses the individual's personality based upon the universally accepted methodology of measuring five personality traits - Openness to new Experiences, Conscientiousness, Extraversion,

Agreeableness and Neuroticism. At the end of the test, you will receive a report about the various facets of your personality and a description of how to interpret the report.

Who it is intended for

This personality test is designed to measure an individual's personality traits such as morality, friendliness, adventurousness, dutifulness, etc. A personality test is taken to analyze a person's character or psychological makeup that helps in observing changes in personality, diagnosing psychological problems, hiring prospective employees, etc. Upon completing the test, you will be provided with your personality test score.

The traits that are measured through this test are:

- Agreeableness
- Conscientiousness
- Extroversion
- Neuroticism
- Openness to Experience

Sample Questions

- 1) How does the following statement apply to you:
You are willing to entrust important responsibilities to other people because you feel that most people will not do a half-baked job.
- a) This statement about me is completely false
 - b) This statement about me is moderately false
 - c) This statement about me may be true or false
 - d) This statement about me is moderately true
 - e) This statement about me is completely true

Answer is: e

- 2) How does the following statement apply to you:
You are willing to entrust important responsibilities to other people because you feel that most people will not do a half-baked job.
- a) This statement about me is completely false
 - b) This statement about me is moderately false
 - c) This statement about me may be true or false
 - d) This statement about me is moderately true
 - e) This statement about me is completely true

Answer is: e
